- 3 Q Did you come up with the idea of analyzing

- 5 A Did I, no.
- 6 Q Who came up with that?
- 7 A We were in the process I believe I told
- 8 you that in the first instance, we were provided a
- 9 number of images that, of individuals they were
- 10 looking to see if they could recognize on drones,
- 11 and they had given us ten or 12, maybe 15 images and
- 12 we gave them ten laptops in which we hard code the

- 4 Mr. Flynn that Montgomery had went over the visiting
- 5 Air Force officials who became convinced that
- 6 Montgomery's object recognition and video

- 10 A You're quoting him directly on something
- 11 that Mr. Flynn told Mr. Risen?
- 12 Q This is page 36, the bottom of page 36.
- 13 A This is 36, I believe. Where were you?
- 14 Q I'm reading that paragraph. The last
- 15 paragraph, it says, "Michael Flynn's, Montgomery's
- 16 former lawyer" -- he was your former lawyer; is that
- 17 correct?
- 18 A Yes.
- MR. KLAYMAN: No, he is his former lawyer.
- 20 Q -- "who later concluded that Montgomery
- 21 was a fraud," is that an accurate statement?
- A Well, that's his statement?
- 23 Q Yes.
- 24 MR. KLAYMAN: Wait, wait, wait. That's

- 1 BY MS. HANDMAN:
- Q That's Mr. Flynn's statement, correct,

- 5 A Well, I don't know -- he had made

- 7 Q He had made statements to the effect that:
- 8 You were a fraud and a con man; is that correct?

- 13 become convinced that Montgomery's object
- 14 recognition and video compression technology could
- 15 help the Air Force's Predator drone program; is that
- 16 correct?
- 17 A No.18 Q What's wrong about that?
- 19 A That was their conclusions, not mine.

- Q What's been marked as Defendants' Exhibit
- 15 10 are a series of articles, the first one --
- MR. KLAYMAN: Can I get a copy of them?
- 17 MS. JAMES: Here.
- 18 BY MS. HANDMAN:
- Q The first one is NBC news investigative
- 20 unit, Lisa Myers, Aram Roston, and it's dated
- 21 June 27, 2005.
- 22 A I can't see the print it's so small, but I
- 23 guess -- is that under -- I can't see that, but is
- 24 that what that says there? I'm pointing to it.
- 25 You're not looking to where I'm pointing. It says
 - Page 119

- 1 "updated" something.
- Q It says, "Updated 6/27/2005, and the title
- 3 is: "Bogus analysis led to terror alert in
- 4 December 2003." You see that title? It's in big
- 5 letters at the top?
- A Yes, I see that.
- 7 Q Do you recall that article being published
- 8 and broadcasted?
- MR. KLAYMAN: You can have an opportunity
- 10 to look at the whole article, Mr. Montgomery.
- 11 I'll take the clip off for you.
- 12 THE WITNESS: Well, the print is so small,
- 13 I can't see it so you're either going to have
- 14 to read it to me or whatever you'd like to do.
- 15 BY MS. HANDMAN:
- Q Well, it says, "Christmas 2003 became a
- 17 season of terror after the federal government" --
- 18 well, let me say, in the title, after the title:
- 19 "Bogus analysis led to terror alert in
- 20 December 2003," there's a subhead that is in small
- 21 print that says, "CIA experts saw a secret code on
- 22 Al Jazeera that wasn't there?"
- 23 A I'm listening to you. Okay.
- 24 Okay. Do you recall now this article in Q

- 7 Q Do you understand that you were -- did

- A Well, let me talk because --
- 10 MR. KLAYMAN: The document speaks for
- 11 itself, but give him a chance to review the
- 12 document.
- 13 THE WITNESS: What was the date again?
- 14 BY MS. HANDMAN:
- 15 O It was June of 2005.
- 16 A Okay. Go ahead. What was your question?
- 17 My question is: Was the reference to a
- 18 secret code on Al Jazeera, would that be your secret
- 19 code?

24

- 20 A I wouldn't know. I mean --
- 21 Q Do you know anyone else that had a secret
- 22 code that read, "Al Jazeera broadcast?"
- 23 MR. KLAYMAN: Objection in terms of
 - classified or sensitive information. You're
- 25 not to reveal names of any undercover people or
 - Page 121
- anything else at the CIA, NSA or anyplace else.
- 2 BY MS. HANDMAN:
- Q It refers to, "For weeks, America was on 4 edge" ---
- A So you're reading the top part, the top
- 6 paragraphs?
- Q I'm now reading the third paragraph. "For
- 8 weeks America was on edge as security operations
- 9 went into high gear. Almost 30 international
- 10 flights were canceled inconveniencing passengers
- 11 flying Air France, British Air, Continental and Aero
- 12 Mexico, but senior U.S. officials now tell NBC News
- 13 that the key piece of information that triggered the
- 14 holiday alert was a bizarre CIA analysis, which
- 15 turned out to be all wrong." It talks about --
- A You better not just keep reading to me
- 17 because I can't remember much. If you want to ask
- 18 me something, try to --
- Q You don't remember this article? Do you
- 20 remember Tom Ridge saying in the -- giving an
- 21 interview? In an exclusive interview with NBC News,
- 22 Ridge defended the government's actions, although he
- 23 called the intelligence analysis, quote, 'bizarre,
